1. Cut one 18 in. length of Beadalon 19 Strand beading wire. String a crimp tube and half of the clasp onto one end. Place the wire end back through the crimp tube to attach the clasp. Crimp it.

2. String three round clear beads.

3. String a silver rondelle, three lavender chips and a silver rondelle.

4. Repeat Steps 2-3 two more times, then string three more round clear beads.

5. String one 8mm silver spacer bead.

6. String three lavender chips, one silver rondelle, a clear cube, a silver rondelle and three lavender chips and a leaf pendant. Repeat this pattern once more to complete the first half of the necklace.

7. Repeat the beading pattern in reverse to create a symmetrical necklace.

8. String a crimp tube and the other half of the clasp. Thread the wires back through the crimp tube to attach the clasp. Crimp it.
