

Spring is in bloom with this rustic home decor sign. Create a floral watering can wire string art and decorate your home, no green thumb needed!

SUPPLIES:

- Artistic Wire®, Silver 26 Gauge (Item # 10237075) - 2 spools
- Pine Rectangle Plaque (Item # 10042148)
- Floral Stems as desired
- Watering can outline template

TOOLS:

- 5-in-1 Hammer & Screwdriver Set by Studio Décor® (Item # 10638787)
- 3/4" nails
- Beadalon® Nipper Tool (Item # 10302215)
- Wood stain
- Foam Brush by ArtMinds® (Item # 10604231)
- Optional: Long Nose Pliers
- Optional: Beadalon® Bead Mats (Item # 10348546) or towel

STEP 1

Print nail template outline to the desired size. See next page for template.

STEP 2

Place nail template at the bottom of wood panel and hammer nails along the template. A long nose pliers is useful to hold the nails in place.

*Tip: Place a bead mat or towel under the surface to help reduce noise when hammering.

STEP 3

Carefully remove paper outline when finished. Wrap end of wire around nail and begin to fill the shape.

STEP 4

Weave wire in between nails and outline the shape to form a border.

Step 5

Fill with floral stems and voila!
