

DONUT PENDANT

By: Meredith Roddy

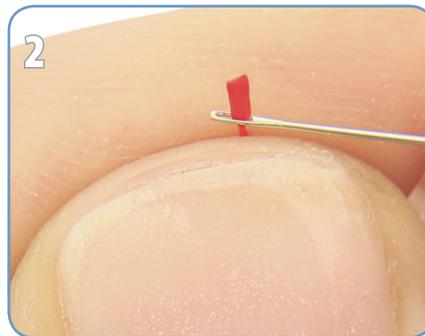

Materials

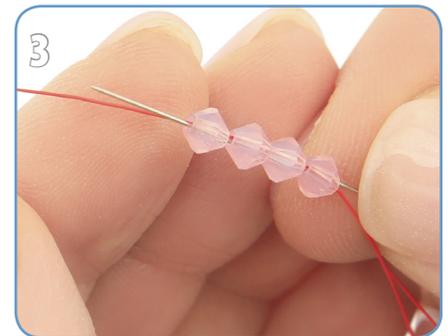

- 161D-004 - WildFire
- JNEEH13/10 - WildFire Needles
- 211F-100 - WildFire Cord Battery Operated Cord Cutter
- Chain Nose Pliers
- 4mm Bicone Beads
- Size 11 Seed Beads
- Size 15 Seed Beads
- 25mm 6039 Swarovski Disc Pendant or 25mm round pendant

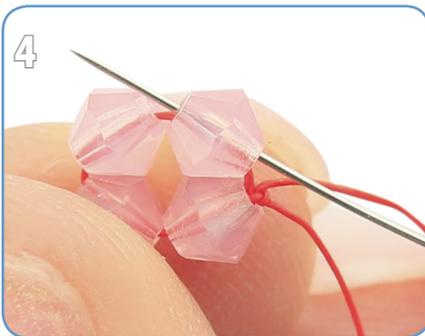

1. Cut a 5' piece of WildFire and flatten the end with Flat Nose Pliers.

2. Pinch the WildFire between your thumb and forefinger and "needle the thread" by pushing the eye of the needle over the WildFire.

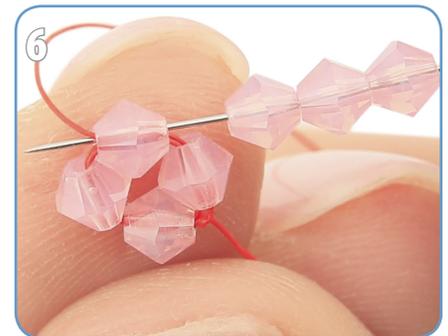

3. Thread 4x 4mm bicones, and pass around through the beads again to form a circle.

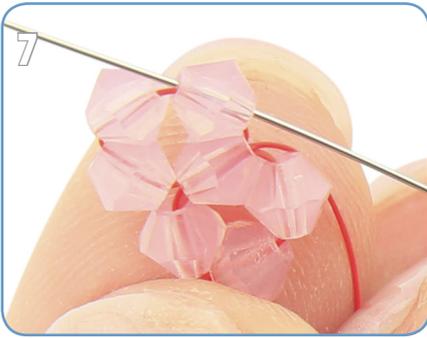

4. Tie the two ends in a knot. Sew through the next 4mm bicone in the circle.

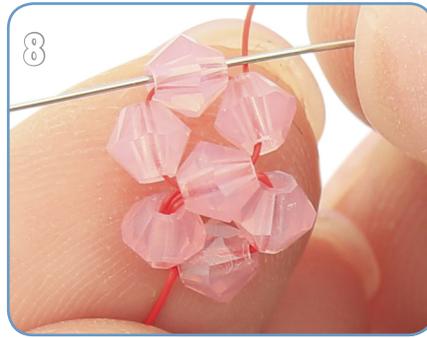

5. Sew through the next 4mm bicone in the circle. Your needle will now be two beads away from the knot.

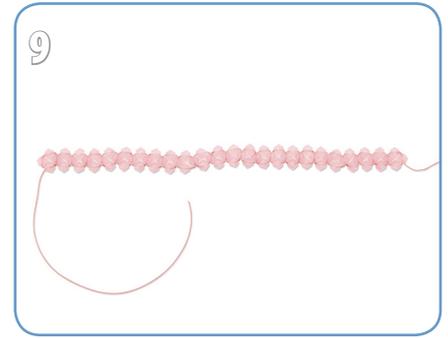

6. Pick up 3x 4mm bicones and sew around and through the bead your thread is coming out of.

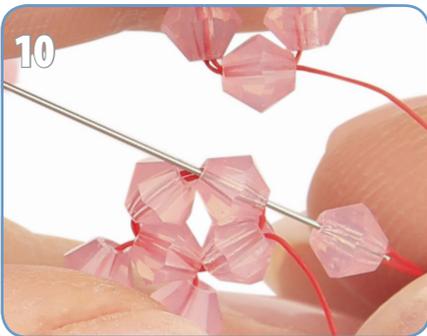

7. Sew through the next bead in the circle you just added.

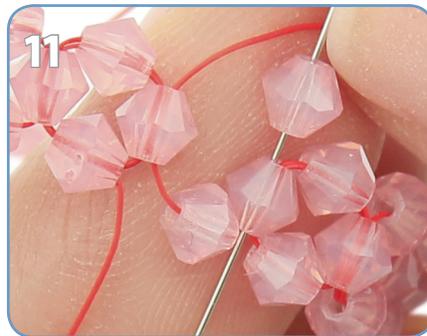

8. Sew through the following bead in the circle you just added.

9. Repeat steps 6-8 until you have a total of 24 units.

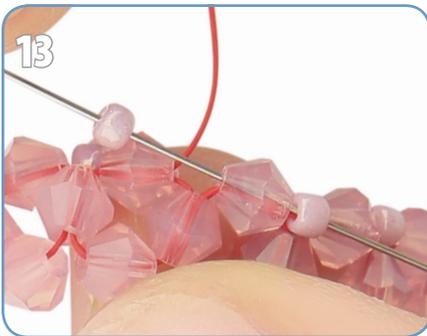

10. Join the two sides by picking up 1x 4mm bead and sewing up through the first bead on the other side.

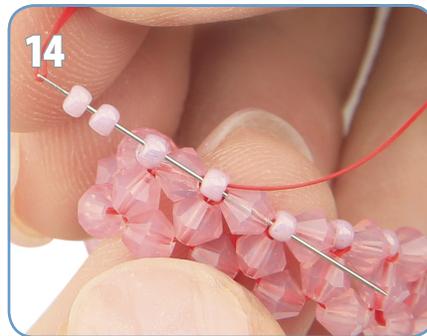

11. Pick up another 4mm bead and sew down through the last bead unit to complete the circle. Sew through the circle again to tighten the round.

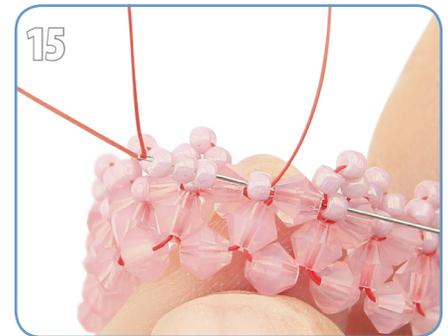

12. Sew around to exit a bead on the top row and add a size 11 bead in between each 4mm bead on the top row.

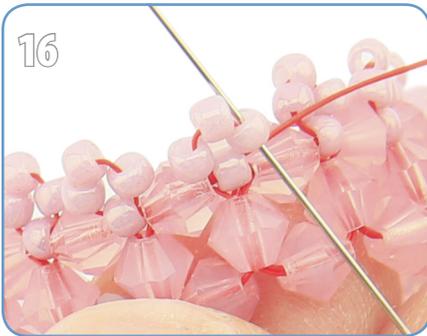

13. When you get back to the first bead, step up by sewing through the last bicone then the first size 11 bead added in this round.

14. Pick up 3x size 11 seed beads. Form a picot circle by passing around and through the size 11 you just exited. Sew through the next 4mm bicone and next size 11 bead.

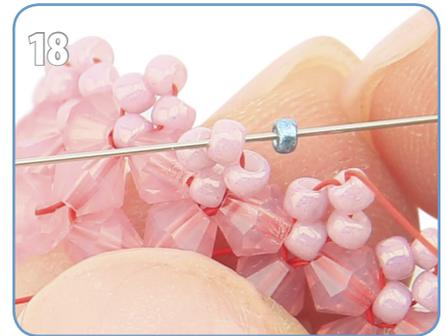

15. Repeat step 14 adding a 3 bead picot around each size 11 bead.

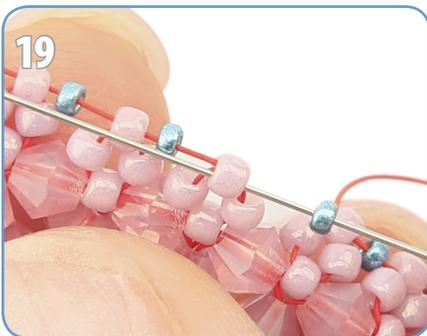

16. After you've added picots to all of the size 11 seed beads, step up by sewing up through the next bead on the side.....

17.and through the top bead in the circle.

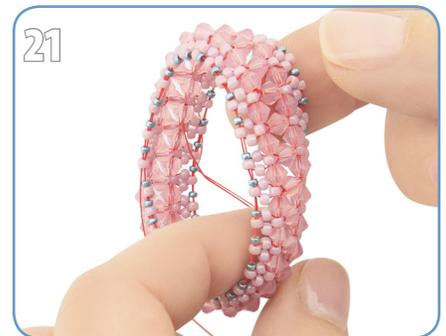

18. Add a size 15 seed bead in between each of the top size 11 seed beads.

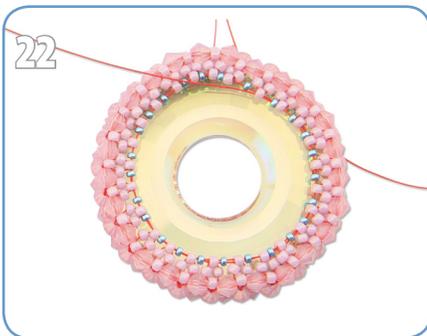

19. Finish this round by adding a size 15 seed bead, and sewing through the last size 11 seed bead.

20. Pull the beadwork tight so that the rows of 11s and 15th curve in. Sew through the beadwork to the other side and.....

21.repeat steps 12-19 on this side.

22. Place the Swarovski Disc Pendant in the bezel and tighten up both sides to hold it in place. Sew through the last round again.

23. Weave your ends in, Tie several overhand knots and trim the ends with the WildFire Cord Cutter.
