

## DESIGN WORKSHOP

### ILLUSION TUBE BRACELET

By: Meredith Roddy

### Materials

- 324A-062 Ext Clsp Lob&Tube 20Mm Gce 1St
- Jw12g-0 49 Strand Stainless Steel Bead Stringing Wire, .024 In (0.61 Mm), Gold Color, 30 Ft (9.2 M)
- Jfct1g-1.5G Crimp Tubes, 1.3 Mm (.051 In), Gold Color, 1.5 G (.05 Oz), Appx. 160 Pc
- Jfct3g-1.5G Crimp Tubes, 2.0 Mm (.078 In), Gold Color, 1.5 G (.05 Oz), Appx. 51 Pc
- Jtcrimp1 Crimp Tool - Standard
- Jtcrimp2 Crimp Tool - Micro
- 6Mm Round Beads

1. Cut 6x 8" lengths of Beading Wire.

2. String a size 3 crimp tube on one end of wire and loop the wire around the crimp and back through it. Crimp the crimp tube.

3. Repeat on all of the other wires.

4. Using the Size 1 Crimp Tubes, crimp the 6mm beads in place on the wire following a random or symmetrical pattern.

5. Slip one end of each crimped wire into one of the Tubes and fold down the end to secure.

6. Repeat step 2 on the other end of all of the wires taking care that they are all the same length.

7. Slip the other ends into the other side of the tube clasp and fold down the end to secure.
