1 Place outline of pineapple as desired on the the wooden board. Hammer nails along the template and remove paper outline when finished.

2 Wrap the end of the wire around a nail several times to secure it. Starting with brown, wrap wire in a random patten. Use a lighter color by overlapping the wire to blend the colors. Wrap ends of wire around nail or trim excess with a flush cutter.

3 Finish with the green and chartreuse color Artistic Wire for the crown. Wrap brown wire in a criss cross pattern to create the skin texture. Outline the nails with wire to form a border.
