

LIFE'S A BEACH EARRINGS by Sara Lovcraft

Life's a beach, let's accessorize with it!
These earrings are perfect for the summer, whether you're near
the ocean or not!

SUPPLIES:

- Silver Plated Assorted Size Memory Wire
- Findings Variety Pack
- B-Lon Tex 210 Nylon cord
- G-S Hypo Cement
- 2 Charms
- Blue Rondelle AB Glass Beads
- Multicolor Round Earring Posts

TOOLS:

- Memory Wire Shears
- Sparkle Chain Nose Pliers
- Sparkle Bent Chain Nose Pliers
- Sparkle Round Nose Pliers

INSTRUCTIONS

1. Cut 2 30 inch pieces of white B-Lon.
2. Cut a circle from the small bracelet sized memory wire.
3. Using round nose pliers, create a loop on end of the memory wire.
4. Fold the 30 inch piece of B-Lon in half so that you have a 4 inch side and a 26 inch side.
5. Tie a lark's head knot with the B-Lon onto the memory wire, next to the loop.
6. Using the long end of the B-Lon, create a lark's head sennit of 15 knots.
7. Thread on 9 rondelle beads.
8. Using round nose pliers, create a loop on the opposite end of the memory wire.
9. With the second piece of B-Lon repeat Steps 4-6.
10. Add G-S Hypo cement to the ends of each sennit and let it dry before cutting the tails.
11. Using pliers, attach 6mm jump rings to the loops on each end of the memory wire.
12. Attach a 4mm jump ring to a shell charm.
13. Using pliers, open a 6mm jump ring and thread on the 4mm jump ring with the charm, the two 6mm jump rings on either side of the memory wire and the jump ring on the bottom of one of the earring posts. Close the jump ring.
14. Repeat these steps to create the second earring.
