WildFire®

WildFire beading thread is a strong and durable cord with a smooth, thermally bonded coating to create a superior stringing product. Super strong, waterproof, and near zero-stretch, this cord will not fray at the ends which makes it easy to thread through a needle. WildFire is also colorfast - the color will not come off on fingers like some other cords. This knottable, supple cord is great for bead weaving and stitching, intricate loom-work and multi-strand seed bead designs using the Spin-N-Bead.
